Shrine on the Platform of the Shwe Dagon Pagoda—**Rangoon**. The platform surrounding the great golden pagoda is crowded with shrines of fantastic Oriental design, and within each its statue of Buddha, often of alabaster. The scene is fascinating; the incense-laden air and gorgeous coloured clothing of devotees create an impression in the mind of the beholder not to be forgotten.

Was out sketching the Pagoda at 5.30 this morning. Ah for it! But it still stands; albeit defiantly.
